

**Neighborhood Meeting Notice
Mountain View Elementary School Project**

September 12, 2018

Dear Resident,

Prior to the submittal of a development application, Boise City Code requires that a meeting occur between the applicant and nearby neighbors. This is your notice to meet and review plans to replace the existing Mountain View Elementary School building with a new Mountain View Elementary School building on the current site.

This meeting is not a public hearing and City officials will not be present. If you have questions regarding the neighborhood meeting requirements and/or the City approval process, please contact the City Planning Division at 384-3830

Purpose of the Meeting

To inform neighbors of Mountain View Elementary School about plans to replace the existing Mountain View Elementary School building with a new elementary school building on the current site.

Project Description

The Boise School District is making plans to replace the old Mountain View Elementary School building with a new, state of the art elementary school. The new school building will be approximately 47,000 square feet and will be constructed to the east and south of the existing school. Upon completion of the new building, the existing building will be removed. All relocatable classroom buildings will be removed from the site when the new building is complete.
